

Parts Plus Warranty

When you book your service or repairs with Komatsu, you have the peace of mind that any new Komatsu genuine parts supplied and fitted by Komatsu will be covered by a **24 month** or **4,000 hour warranty*** (whichever comes first) on the parts!

When you invest in Komatsu parts and service, you are buying into a wealth of expertise, quality product, service and commitment.

Genuine Komatsu parts are designed for ease of fitment and have been manufactured to restore the functionality of the machine to meet the original factory specification. Using the correct genuine part is the best way to guarantee the ongoing reliability of any Komatsu machine.
